Dear Ms. Takata:

Thank you for taking the time to contact me about the problem you are having with making the land within the Santa Susana Field Laboratory open space.

Although this is a matter of great concern to me, there is a longstanding policy of congressional courtesy that allows Members of Congress the opportunity to serve their own constituents. I have taken the liberty of sending your correspondence to your federal representative, Congressman Brad Sherman. Congressman Sherman's office is located at 5000 Van Nuys Blvd., Suite 420 Sherman Oaks, CA 91403. The office telephone number is (818) 501-9200.

With kind regards, I am

Sincerely,

HENRY A. WAXMAN
