SECOND ANNUAL BAR-B-QUE SET FOR MAY 15

What promises to be a fun-filled, exciting event is only a month away! SSMPA is following last year's successful BBQ--this time with more activities and time for you and your family and friends to enjoy yourself in the beautiful Simi Hills. Enclosed are several flyers on our BBQ. Please give the extra one to an interested friend or neighbor and urge their attendance, too. We need these flyers distributed all over town, so if you're so inclined please call Jan at 347-3736 to arrange for more flyers for this purpose.

Be sure to mail in the reservation tear-off as soon as possible to obtain the advance order price reduction. Volunteers and help from our members is also needed to in setting up the day of the BBQ. Please call 998-1761 if you can help. SEE YOU MAY 15!

LETTERS OF SUPPORT NEEDED!

SSMPA Board of Directors voted to try to initiate legislation in Sacramento purchase some priority areas that are threatened with development and are in danger of being lost forever.

Please write to your assemblyman and state senator (with a copy of each letter to SSMPA and Gov. Brown) urging the use of Prop. 2 funds to acquire the Nichols, Transcontinental, Brandeis Old Stagecoach Trail, Garden of the Gods, Retz, and Stoney Point (city funds) in that order.

Send your letter today to:
Assemblyman/State Senator
State Capitol
Sacramento, CA 95814

If you do not know who your elected representatives are call the L.A. County Registrar of Voters 787-1850.

THANK YOU DEPT.

For over four years Jo & Barbara Pampalone have generously donated office space to SSMPA for the storage of our files. We would like to express our appreciation to them for this contribution. We have recently had to move, however, and are looking for a donation of the use of a small amount of office space in Chatsworth. Call Jan 347-3736 if you are able to help us out.

Thanks to Roberta Bailey for the super artwork on our BBQ flyer!

The young people of the United Methodist church have been hard at work making our mountains more beautiful by picking up the litter & trash around Stoney Point and the McDonald-Nichols property. It is refreshing to see people who care about our natural environment and who are doing something to improve it!
